# IMMIGRATION UPDATES AND REMINDERS

## Important Reminders

- **Address Updates.** If you have moved to a new address for this quarter or academic year, please do not forget to [update it via our ISSM portal](#) and in R'Web. F and J students are required to update their address within 10 days of every move.
- **Full Time Course Load.** If you have not yet registered for the Fall quarter, please remember that you need to be enrolled in full time units (12 units) per your F-1/J-1 status.
- **Online Classes.** F-1 students: only one online course can count towards your full time enrollment requirement of 12 units. J-1 students: you can only take one online course.
- If you are an Undergraduate student, this is your last quarter, and you require less than 12 units to complete your academic program, you must submit a Reduced Course Load Form to our office by 10:00 a.m. on Wednesday, October 8th, 2025. This will give us time to initiate a reduced tuition fee request on your behalf in My Forms.
- F-2 students cannot be enrolled in a full course load per regulations and therefore need to be enrolled in under 12 units.

## Important Updates

- **The proposed rule to replace duration of status** and change some of the regulations related to F -1 students and J-1 students and scholars is still a proposed rule. Proposed rules do not become final until after comments on the

rule are reviewed and a final version of the rule is submitted to the Office of Management and Budget (OMB) and then published in the federal register. You can read about and review updates on this proposed rule at the following link:

- **On September 6, the Department of State updated its [instructions for all nonimmigrant visa applicants scheduling visa interview appointments](#)** indicating that applicants should schedule their visa appointment in their home country of residence.
- **On September 19 the federal administration issued a [proclamation](#)** that seeks to restrict the entry of H-1B specialty occupation workers into the U.S. unless employers pay a \$100,000 fee per petition, with limited national-interest exemptions. On September 20, USCIS issued a guidance [memorandum](#) regarding the proclamation, indicating that the proclamation applies to H-1B employment-based petitions filed after 12:01 AM ET on September 21, 2025.
- **On September 24, DHS published a [proposed rule](#)** to change the H1-B cap-subject lottery process to a weighted selection process. You can read about the proposed rules at the following link
